

Remarks

This amendment after final rejection is submitted to place the claims in better condition for appeal.

Claims 1-9 and 11-21 are in prosecution. Claims 1-5, 7-9, 11-13, 15-19 and 21 are rejected under 35 USC 103(a) as being obvious under Mutschler (U.S. patent 5,940,075) in view of Galvin (US patent 7,281,236). Dependent claims 6, 14 and 20 are indicated to be allowable if rewritten to include all limitations of their parent claims. Applicant respectfully declines to place these dependent claims into independent form at this point in the prosecution.

Claim 1-7 are amended as suggested by Examiner in Section 1 of the Office action. In addition, independent claim 1 and independent claim 15 are further amended to replace “for” with --by-- in the first element of each claim. The latter amendments correct an ambiguity and places the claims in better form for appeal, a notice of which was filed on 06/16/2010.

Examiner is respectfully requested to enter this amendment into the record.

Respectfully Submitted,

/Jerry Herndon/
